NOTHING OF INTEREST.

Some Important Matters Will Come Up Next Meeting.

The city council met last night to receive monthly reports and transact other routine business that was not gone into at the special meeting Monday night.

## RARA AVIS.

Strange Bird Shot By Mr. R. S. Gary.

Mr. R. S. Gary killed a strange bird at his farm South of town, which was on exhibition at the KENTUCKIAN office yesterday. It was evidently a water fowl. In color it was like a pheasant. Its shanks were green and six inches long and it had claws over one inch long. Its thighs were long and covered with lighter feathers. Its bill was 5 or 6 inches long and it was 35 inches from head to toe and 38 inches from tip to tip of its wings. It is evidently a species of crane or bittern. It is still at this office and anybody who can name it may have it.

Don't fail to hear the Hungarian Orchestra Monday night at the Tabernacle. It is the same personnel as last year. Prices 25, 35, 50 and 75c.

## PAPER AND LECTURE

The Features of the Athenaeum Meeting Thursday Night.

The Athenaeum held an interesting meeting at Hotel Latham Thursday night and listened to a most enjoyable program.

Mr. Lucian H. Davis read a carefully prepared paper on "The New and Increasing Uses of Cement." He explained its manufacture in detail and dwelt upon its future as a building material.

Mr. J. W. Downer delivered a lecture on "Sir Walter Scott," Mr. J. C. Duffy, yielding his place on the program to give Mr. Downer a chance to handle his subject extensively. Mr. Downer's previous lectures on Hawthorne, Goldsmith and Edwin Booth were masterpieces, but the general opinion was that this was his best effort. Its delivery occupied more than an hour, but every minute of the time was enjoyed.

Let the children hear the Hungarian Orchestra Monday night; they will enjoy it. Special prices; Public Schools lower floor 50c, Gallery under 10 years 25c, over 10 years 35c.

## Tabernacle Monday Night, Dec. 9 Musical Event of the Season.

On a recent visit of Alice Roosevelt to Chicago she was tendered a reception at one of Chicago's exclusive clubs. The Schildkret Hungarian Orchestra, which appears here on Monday night, was especially engaged for this occasion. During the evening they received an enthusiastic encore on a special number and before repeating the selection Mr. Schildkret announced he had especially composed this waltz for this occasion, knowing Alice Roosevelt would be there and wished to respectfully dedicate it to her on this visit. The concourse demanded the repetition of the selection five or six times and Miss Roosevelt herself personally thanked Mr. Schildkret.

This selection will be played by the orchestra on their appearance here, and anyone wishing a copy can secure it of Mr. Schildkret without charge.

Sam Schildkret, the leader and organizer of the Schildkret Hungarian Orchestra, which appears here on Monday night received his musical education in Hungary, finishing his study of harmony at the conservatories in Vienna. King Franz Joseph presented him with a medal in recognition of his musical ability. His whole life has been devoted to his orchestra and can look forward to a musical treat the evening of their appearance. Price 25-35-50 and 75c.

## C. O. PROWSE FOR JUDGE

Popular Young Attorney Said To Be Selected For County Judge.

SUCCEEDS BREATHITT.

Will Take Charge Early In The Month of January.

It seems to be generally understood Chas. O. Prowse will succeed Attorney James Breathitt as County Judge of Christian county, when the new Attorney General goes to Frankfort January 1st. Mr. Prowse is a son of the former County Clerk, Jno. P. Prowse, and is a young lawyer of acknowledged ability.

He came within two votes of being elected County Attorney in 1906, as the Republican nominee. Personally he is very popular, with Democrat as well as Republicans and his appointment by Gov. Willson will give general satisfaction.

## POWELL HAS SURRENDERED

Comes In To Answer To The Charge Of Murder Last Saturday Night.

NOW IN COUNTY JAIL.

Shot And Killed Lillie Humphreys. A Soiled Dove Saturday Night.

Melvin Powell, the young man who killed Lillian Humphreys Saturday night, in a disorderly house near the city, came in Thursday and gave himself up. He had been hiding out with relatives near Crofton. He is now in jail on a charge of murder.

Powell claims that he killed the girl accidentally, but this does not help his case much. He shot at another man and the girl jumped between them and it is reported that she exclaimed "I'd rather go to hell myself than have you hurt him." There is a very general public demand that the disorderly houses running outside the city should be proceeded against as nuisances by the county officials and suppressed.

To the Members of the Dark Tobacco Association.

Your county committee has given me a contract to prize tobacco for the association in Hopkinsville, and I take this method of informing you that I am ready for business. I have rented the J. D. Ware Stemmy on Tenth street, and have ample room and every facility for handling tobacco to the very best advantage possible in an up-to-date factory. My many years' experience in handling and pricing tobacco for all the foreign markets will enable me to prize your tobacco in an intelligent manner, and give you the best results. I also have room for stripping, and will strip your tobacco for 25 cents per hundred and the stalks, and will keep it fully covered by insurance, as I am individually liable for any loss. And I assure you that any tobacco intrusted to me will receive all of my time and attention, and will be handled to the best of my ability.
